SCREENS

1. **Sign in**
   Email and password. A new customer creates an account with name, email, phone, and password.
2. **Home**
   Car-hire companies. Each row shows the area, how many vehicles, and the company rating as stars.
3. **Company**
   Only that company's vehicles. Filter by All, Luxury, Off-road, Daily use, or Trucks. Discounts and each vehicle's stars are shown here.
4. **Vehicle**
   Category, seats, transmission, price per day, the star rating, and recent reviews.
5. **Book**
   Dates, the price, any discount, and the amount to pay. With a saved address, the customer can use it or enter another pickup location. Without one, they must enter a location. A line at the bottom says the car is also returned there.
6. **Bookings**
   Upcoming and past trips. A completed trip is rated by tapping stars.
7. **Profile**
   Name, email, phone, address, and sign out. The address is the one offered during booking.

Discounts

Each company sets two offers.

- A percent off when the booking total is at or above a set amount.
- A percent off when the hire lasts at least a set number of days.
- When a booking qualifies for both, the larger discount is applied.

Ratings

A finished trip is rated with stars and a comment.

Brian ★★★★★
Clean car, picked up on time.

- Reviews are listed under the score. Each one shows its stars and the comment.
